# Servcorp Opens New Business Centre in Dusit Central Park, Bangkok Thailand

BANGKOK - Global workspace provider Servcorp opened a further Bangkok location within the new business centre in prestigious Dusit Central Park development, expanding its presence alongside existing offices at The Offices at CentralWorld, Mercury Tower, Park Ventures Ecoplex, and 1 Silom Road.

The new location follows Servcorp's renowned 5-star fit out, offering panoramic views of Lumpini Park and Bangkok's skyline. Clients enjoy a seamless working experience in brand new coworking lounges, fully equipped meeting rooms, and enterprise-grade IT infrastructure.

State-of-the-art video conferencing technology and rocket-fast Wi-Fi are paired with 24/7 in-house technical support, ensuring all customers experience smooth day-to-day operations.

Operating within Dusit Central Park's integrated business ecosystem, clients will be close to the renowned Dusit Thani Hotel and Central Park Shopping Complex.

A standout amenity is Thailand's largest urban roof park "Dusit Arun," spanning 11,200 square metres of jogging tracks and green spaces to promote work-life balance.

The workspace is strategically located right in the heart of Bangkok's thriving Silom district, positioning clients a short walk away from Lumpini Park and Silom Road's vast shopping and dining complexes. Surrounded by esteemed hotels including the Crowne Plaza and Sofitel, as well as diverse international restaurants, the location exudes prestige for both clients and partners.

Key transport routes, such as BTS Sala Daeng and MRT Silom stations, are only 5 minutes away. Moreover, Suvarnabhumi International Airport is a 45-minute drive, making the workspace the ideal launchpad for both local and international businesses enterprises seeking to enter the dynamic Thai market.
